At Home Teeth Whitening Made Easy

There are all sorts of at home teeth whitening products such as toothpastes, tooth strips, and teeth whitening kits available on the market today that can help you achieve that perfect smile.

Following is a list of some of the more popular at home teeth whitening kits that will give you "dental office" quality teeth whitening, from the comfort of your own home at a fraction of the cost.

Maximum Teeth Whitening

Convenience, simplicity and ease of use is what you'll get with this kit. Maximum Teeth Whitening is a process that boasts of results that are at par with those of professional dentists. One big difference is that you will only be spending about \$30 for the same effect that you would get from a dentist who can charge you up to \$1000 for bleaching your teeth!

If you are looking for a whiter smile at home, you definitely need to give Maximum Teeth Whitening a try.

Teeth Whitening Express

With Teeth Whitening Express you'll receive the exact same professional teeth whitening as you do from your dentist. With this system you'd make an impression of your teeth their easy-to-use system. You then mail these back to Teeth Whitening Express in the postage paid envelope that they provide.

Their lab technicians then promptly make a custom mouth tray from the impressions of your teeth. The trays are then returned to you within 1 to 2 weeks free of charge. You then apply the whitening gel inside the mouthpiece and place the mouthpiece over your teeth. You wear the mouthpieces anywhere from 15 minutes to 1 hour per day and that's it. You should see quick results after only a few hours of bleaching time.
